1945

Dear Jack;
You're a swell
friend and a honest
guy. We have done a lot
of fooling around and hope
we do a lot more, together.
I hope next year we go to the prom
in a car and you driving.
Your best pal,
Richie

THE CLASS OF 1945

Presents the

G O L D E N

“C”

PUBLISHED BY THE SENIOR CLASS
CRANFORD HIGH SCHOOL
CRANFORD NEW JERSEY

Dedicated

*To those unsung heroes who have
given us shelter and their sympathetic under-
standing during the years of our education, to
the Moms and Dads of the Class of 1945, this
yearbook is dedicated with thanks.*

The fate of our nation hung in the balance when we entered high school in the fall of 1941; now as we leave, the scales are tipping toward world peace. To live harmoniously with our fellow men, no matter where on earth they may be, we must understand them and their problems. And knowledge leads to understanding. Armed, therefore, with the learning acquired in Cranford High School, we go forth with confidence, determined to use this knowledge in reaching those new and brighter horizons which are man's inevitable destiny.

Foreword.

Miss Fraser, Mr. Zimmerman, and Mr. Doll, your steadfast loyalty and wisdom in guiding the Class of '45 have led us to think of you not only as our sponsors but also as our friends.

THE WORLD ALMANAC

RECORD OF THE YEAR

CHRONOLOGY: JANUARY 1, 1960 - DECEMBER 31, 1960

JANUARY 3—*New York*: Photographers James Winston, Jack Mack, and Robert Clement have been indicted by a grand jury on charges by Postal Inspector William Glaser that their latest "Gazette" pictures of glamour girls Emily Hill, Shirley Smith, and Janet Raubenheimer were... "injurious to the nation's unity!"

JANUARY 12—*New York*: It is rumored that socialite Juanita Duval has left for Australia to visit that nation's war hero, Major McDowell. Miss Duval's former "steady," wrestler "Bone-Crusher" Haagensen, refused to comment for the press.

JANUARY 20—*Atlantic City*: Jack Harford, "the face on a million Kreml ads," won his thirteenth consecutive masculine beauty contest here today.

FEBRUARY 1—*Washington*: George Walsh of the U. S. Bureau of Engraving has instituted a new plan whereby Carolyn Sarafin's picture will be engraved on all one-dollar bills. In Mr. Walsh's own words... "This makes it easier to kiss your money goodbye."

FEBRUARY 9—*The North Woods*: It has been reported that chemists James Burnash and Vaughn Johannessen have developed a new super-explosive known as $C_2H_2O_8$. It is hoped they will tell the world of their secret process—if they are still with us after their proposed demonstration of this discovery.

FEBRUARY 19—*Chicago*: The Chicago Beers, last year's national tiddly-winks champs, are expecting a great season this year under the leadership of sharpshooters Jim Rudd, Bus Duffield, and Doug Staples.

MARCH 5—*Seattle*: Prof. Gene Glidden has returned to this country after spending five years with the Eskimos of Ellsmere Island. When interviewed by the press Prof. Glidden's only comment was, "Ugh! Heap cold Ellsmere."

MARCH 10—*Palm Beach*: William Herman, perforator for the Scott Tissue Co. of this city, has been jailed, following charges by the homicide squad that his perforating activities did not stop with the five o'clock whistle.

MARCH 20—*Toronto*: Secretary of the Treasury Shirley Miller has arrived here to pay damages to this city in order to avoid an international situation. The trouble began when Ranger star Charles Prescott, playing "rather rough," incapacitated the entire Maple Leaf team in their recent hockey encounter. Prescott accomplished this with his special steel-center stick. His attorney, David Olesky, pleads insanity.

APRIL 11—*Cranford*: Robert LaRegina, America's great garbage can magnate, has presented the high school of this town with a solid gold garbage can. LaRegina's autobiography, "From Rags to Riches," is now featured at all Horn and Hardart automat.

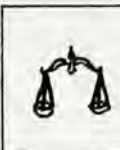

Prophecy

MAY 23—*New York*: Used car magnate Richard Best has reported selling his 1,000,000th used car to poet Jacqueline Thomas, author of the current best seller—"Ode to Huart Samblen." It seems that this last sale was a car which Mr. Best bought in 1943 and has spent seventeen years reconditioning.

JUNE 16—*San Francisco*: Esquire reporter Hank Vogel called upon boxer Charles "the Sleeper" Rowland for an interview. It seems that "the Sleeper" is the first boxer to have successfully been knocked out in sixteen consecutive fights. Said "the Sleeper" in reply to Vogel's queries—" (quote deleted by order of Bureau for Purification of Published Matter.)" A very shocked Mr. Vogel immediately made his departure after boosting "the Sleeper's" record to seventeen.

JULY 30—*Philadelphia*: The Democratic convention today selected John Bradley and Paul Druckenmiller for their 1960 ticket. Promised Senator Bradley—"If elected, I will supply milk to all of America's babies; in fact, I'll take the bull by the horns and demand it!"

AUGUST 13—*Jersey City*: Governor Jemison, Republican candidate for President, announced today that he had authorized artist John Evans to paint the campaign colors on the gutters of New York. Said Governor Jemison, "We're trying for the street-cleaner vote."

SEPTEMBER 10—*New York*: The family of Robert Douglas, Park Avenue playboy, is suing Bob Degenhardt for the disappearance of their son. Said magician Degenhardt—"Houdini never taught me how to make the guy reappear!"

SEPTEMBER 21—*Mexico City*: Foreign ambassador William Ranken of the Second Siberian Republic has arrived here to confer with Secretary of State Alfonso Brantley in preparation for the International Scooter Races, in which Dick Rowe, Jim Cisar, and Bob Spears are expected to star.

OCTOBER 30—*London*: Prof. Richard Jenkinson, in collaboration with students Betty Schirmer, Gloria Sibbern, and Margaret Shellman, has received the Nobel prize for literature. The Professor's contribution to humanity—an index to Webster's Unabridged Dictionary.

NOVEMBER 8—*Washington*: Alberta Howard, Jean Canright, Claire Orrok, Ann Fieldstad, and Betty Farrell descended on Washington today, demanding "anti-Pepsi-Cola" legislation. Said chairman Howard—"We drink 'Moorhead Beer,' and so can the rest of the country!"

NOVEMBER 19—*Norfolk*: Admiral Ted Isles has landed at Norfolk with Leon Mayers, Bob Nylen, and Beef Pflug, whom he found floating in an old rowboat after they had been at sea for 15 years. When interviewed by the press the three said, "We didn't know that the war was over; we were hiding from Mr. Hazzard!"

DECEMBER 31—*Washington*: J. Edgar Hoover announced today that the twenty-two agents who have been on duty as bodyguards for Dirk Lohman and George Johnston have been recalled to Washington. These guards were detailed in the summer of 1945. At that time Mr. Johnston and Mr. Lohman received many letters threatening revenge for the publication of their class prophecy in the 1945 "Golden C."

The Last Will & Testament of the Class — of 1945 —

We, the members of the class of 1945, do hereby make and declare this document to be our last will and testament.

1. We leave this yearbook as a record of our lives, our fortunes(?), and our sacred honor(??).

2. We leave all those underclassmen whose annuals we signed and whom we don't know from Adam.

3. We leave with fond farewell those teachers who did not give us much homework — and also Mr. Wilson!

4. We, as individuals, do will as follows:

I, Bert Holck, will my seat in first period English to any junior who has interests in the art room.

I, Ann Santoro, will to any melancholy underclassman my joyous smile.

I, John Bradley, will a package of Brano Seltzer to next year's student council president.

I, Vaughn Jonassenssen, will my ability to avoid girls to George Kaiser, the heartbreaker, who can stand the odor.

I, Barbara Klein, will my blushes to the the junior girl who tries to 'slip' Ed Semason.

I, Charles Prescott, will my power of speech to Houie Loderstedt, so he can get a varsity football uniform every week.

I, Jim Cesar, leave my opinion of Theodore Roosevelt to anyone who wants to fail American history, with Miss Miffion.

I, Daniel Kaubenzimmer, will all my trig homework to Bill Glaser, who copies it before I finish anyway.

I, 'Beet' May, will my little black book of Bunt Heasant telephone numbers to any underclassman who wants to 'go to town'.

I, Miss Traver, will myself two bottles of aspirin to remedy the effects of my homeroom class for the last three years.

I, Richard Fulecher, will an oxygen mask to John Porcella.

I, Robert Merrick, will my bowties to any underclassman who wants to be in trouble up to his neck.

I, Ruth Rhodes, will solid geometry to any girl who wants to forget about men.

I, Harold A. Vogel, will my car(?) to anyone who wants to get up at 8:10 AM. to start cranking.

I, Bill Herman, will my large collection of combs to Jim Ridd, who needs them badly.

I, Gus Tuffield, will my wonderful knowledge of French to anybody who wants to go to China.

We, Ann Fieldstad, Charles Rouland, and Robert Clement, will our well-stocked coal bins to anyone who has ever worked for Keel Strong (Coal Company).

I, Richard Best, will a good strong cup of coffee to the junior who finds it hard to stay awake.

I, Ted Isles, leave Huart Samblen to the S.P.C.A.

CAST

CREWS

Hang on to the edges of your seats, folks! It's "Arsenic and Old Lace," straight from the Great White Way and the silver screen, here to thrill you, chill you, and spill you from your chairs with laughter. From the first parting of the curtain that loveable pair, Abby and Martha Brewster, will make you feel right at home—in any morgue. And who's this zany character dashing up the stairs, brandishing his bugle and shouting "Charge!"? None other than Theodore Olesky Roosevelt! Mortimer Brewster, a Burns Mantle and Charles Boyer rolled up in one, is at his wit's end because of the numerous unexpected "guests" who keep popping out of the window seat. Then there's his fiancé, Elaine Harper, daughter of a minister but, oh, so wise in the ways of the world. Don't be frightened if you feel a pair of clammy hands about your throat; for lurking in the shadows of the Brewster homicidal habitat is that murderous maniac, that nocturnal nemesis, Jonathan Isles Brewster. He and his inebriated crony, Dr. Lohman Einstein—who creates faces only a mother could love—are Cranford High's gift to Inner Sanctum. These and a cast of other equally interesting characters are here to bring you an evening of suspense, of horror, and—above all—of hilarious comedy!

The Year's Activity

School hours end at 3:04, but one wouldn't have thought so this year to watch the members of the various activities straggle out of C.H.S. just about every day at dusk. Our four years at high school having all been in wartime, we were more or less accustomed to the inconveniences and changes of the times. It seemed as if more and more of our boys were leaving for the service, and because of numerous part-time jobs the rest of us were practically rolling in wealth as compared with past senior classes. The spirit of the times was also reflected in the regular sale of stamps and bonds and the tireless work of the Junior Red Cross.

There was always something doing after school to keep us busy. The "old standby" clubs and some new arrivals had full schedules. The Mask and Bauble inaugurated a new policy by presenting "What's a Fixer For?" and "Happy Journey" in public performances. *Entre Nous* livened up the first home football game as usual, and the photographic group surmounted current shortages to send the above picture as a Christmas greeting to our men in the armed forces.

The Visual Aids Club kept popping up unexpectedly in classes to make the periods more interesting. There were those traditional assemblies we have come to expect, supported by the music groups and made more entertaining by our cautious assembly chairman, David Olesky. We had a full program of sports: football, basketball, hockey, and track as usual, plus an annually expanding cross country team. The girls maintained their side of the athletics through an active program of intramural sports.

And with the "Golden C," senior play, and class dinner, it can truly be said that at Cranford High this year there was never a dull moment.

FOOTBALL

With four veterans, Rudd, Duffield, Glaser, and Wheeler left over from the '44 eleven, the prospects for a successful 1945 season were encouraging. Players for the other positions moved up either from the J.V. or from the junior high school team.

To aid the footballers, the lot behind the school was cleared for work-outs. Although the field was still rough and bare, the boys practiced hard in preparation for their Saturday afternoon encounters.

The inaugural at East Orange proved that the team had possibilities. In the next matches the Blue and Gold defeated Linden, Regional, and North Plainfield on successive Saturdays. The team then went into a slump by tying Rahway and losing to Hillside and Roselle Park. In the Hillside game, the Blue and Gold nearly upset the powerful Comets. Leading 7-6 at half-time, the Cranford boys saw a possible victory drift away as the Hillside team pushed over four touchdowns in the second half to remain unbeaten. Roselle was soundly thrashed 40-0 for one of the highest scores in the county. The annual Jefferson Turkey Day battle was lost in the last fifty seconds as the Jeffmen tallied to win by 12-7.

The team enjoyed four victories, tasted defeat four times, and settled once for a tie. Scoring honors went to "Bus" Duffield, who rolled up 37 points.

Lettermen: Capt. J. Rudd, G. Wheeler, S. Duffield, W. Glaser, B. Behrens, H. Knauer, C. Mott, T. Muldrow, W. Albans, R. Best, R. Cipolla, D. Staples, H. Lodersted, D. Heyburn, J. Bradley, F. Torrens, B. Swankamp, A. Nugent, H. Thomas, D. Andersen, C. Prescott, R. Pflug, J. Colaneri, W. Panewicz, H. Moberg, B. Scarbrough, V. Johannessen. **Managers:** G. Walsh, J. Evans.

BASKETBALL

Success was the keynote of this year's basketball team. After running up a winning streak of nine straight games, the team slumped a little but managed to win the next five out of eight games. The overall record for the regular season's play was fourteen victories and three losses.

The winning streak was broken by Plainfield. Other losses were to Jefferson and Rahway. Important victories were scored over Hillside, Roselle Park, and Dunellen. The victory at Dunellen broke that team's eight game winning streak.

The Blue and Gold won the Big Five title for the first time. During the league play Cranford won eight and lost two contests. The Rahway and Plainfield games were the only league losses for C.H.S.

The Union County Championships proved the downfall of the team. Cranford, seeded second in the drawing, drew Roselle Park for their first encounter. After having lost twice to Cranford in spectacular games, the Parkers decisively defeated the Cranford cagers in this important event.

The first team was an all-senior quintet composed of "Bus" Duffield, Bill Moorhead, Dick Jenkinson, Jim Rudd, and Doug Staples. The other three lettermen were Joe Lanza, Stan Weil, and "Red" Nugent.

ICE HOCKEY

Drawing a complete varsity minus an experienced goalie over from last year, the 1945 sextet looked forward to a fairly successful series of contests. Although the season was not yet ended at the time of this writing, the team's record so far was three victories, one tie, and the only defeat at the hands of the West Point Plebes. The latter was a tough break for the skaters, for they lost the game in the first period, being outscored to the tune of four goals. Cranford came back in the second and third periods, making a much better showing. The highlight of the game for C.H.S. was Richard Best's score in the second period.

The condition of the ice this winter had prevented a busier schedule, although games had yet to be played with Peddie and Chatham. Again this year Coach J. W. Coffee, Cranford Township Clerk, was available for several afternoon practices and all the games. His services were of great value.

The varsity consisted of Charles Prescott and John Bradley, Co-captains, Roland Tudor, John Evans, Robert Merrick, Howard Frew, Richard Best, George Walsh, Harold Vogel, William Herman, and Robert Grady. The manager was Robert Clement.

CROSS COUNTRY

This year's cross-country team was virtually self-made. With Mr. Weekley handling football, the team had to carry on minus a coach. Although successes were few, the boys worked with determination.

The bright spot of the season was the running of John Evans and George Walsh, who sparkled in the state and county championships.

The team was captained by Les Morcerf. Those earning letters were: Captain Morcerf, Ray Cosmas, Bob Degenhardt, John Evans, George Johnston, Ed King, John Maleckar, Hank Vogel, and George Walsh.

TRACK

When we think of spring in Cranford High, we think of track.

Last year Dick Best in the quarter, Jim Rudd in the half, John Bradley in the mile, Bill Moorhead in the hurdles, and Howie Thomas in the century dash comprised the backbone of the team. In the field events, Doug Staples was effective in the pole vault, and John Evans shone in the high jump.

Unless the draft plucks some of these boys out of school, the 1945 season should find the squad better than ever, the results encouraging, and the losses few and far between.

If

If you can keep your head when all about you
Are losing theirs and blaming it on you;
If you can trust yourself when all men doubt you,
But make allowance for their doubting too;
If you can wait and not be tired by waiting,
Or being lied about, don't deal in lies,
Or being hated don't give way to hating,
And yet don't look too good, nor talk too wise;

If you can dream—and not make dreams your master;
If you can think—and not make thoughts your aim;
If you can meet with Triumph and Disaster
And treat those two imposters just the same;
If you can bear to hear the truth you've spoken
Twisted by knaves to make a trap for fools,
Or watch the things you gave your life to, broken,
And stoop and build 'em up with worn-out tools;

If you can make one heap of all your winnings
And risk it on one turn of pitch-and-toss,
And lose, and start again at your beginnings
And never breathe a word about your loss;
If you can force your heart and nerve and sinew
To serve your turn long after they are gone,
And so hold on when there is nothing in you
Except the Will which says to them: "Hold on!"

If you can talk with crowds and keep your virtue,
Or walk with Kings—nor lose the common touch;
If neither foes nor loving friends can hurt you;
If all men count with you, but none too much;
If you can fill the unforgiving minute
With sixty seconds' worth of distance run,
Yours is the Earth and everything that's in it,
And—which is more—you'll be a Man, my son!
