

Summit Area Exempt From New State Order Curbing Use of Water

The stringent water restrictions ordered by Gov. Hughes last weekend do not affect the Summit Area, Jack H. King, Commonwealth Water Co. manager said this week.

Under the governor's order four counties, Essex, Passaic, Bergen and Hudson, have been ordered to curb water use in the face of a prolonged drought that has drastically lowered water reserves. The restrictions will also apply to Elizabeth in Union County.

Although four towns served by Commonwealth Water Co. lie in Essex County, where curbs have been ordered, all will apply to the state for exemptions. The towns include Millburn, Maplewood, West Orange and Irvington.

At present Commonwealth Water reserves are adequate to meet even the heaviest demands. No curbs are anticipated for the time being at least.

Mr. King did, however, appeal to area residents not to waste water.

With two new pumping stations now in operation, combined with an old well recently activated, Commonwealth has indicated that the Summit Area will escape the water shortage now plaguing other parts of the state as well as New York City.

The new pumping stations, located on Diamond-Hill road in Berkeley Heights, and the other at Irvington, will have a capacity of 6,000,000 gallons per day. Mr. King indicated, however, that only about 4,000,000 gallons per day will be needed.

The reactivated well referred to by Mr. King is located on Commonwealth Water Company's Baltusrol property off Glenside avenue. A new capping system permitted the well to again go into operation.

The new pumping station on Diamond Hill road is part of Commonwealth Water Company's \$465,000 project to bring water from the Raritan River watershed into the water company's area for the first time.

Owners of Best Kept Planters To Get Awards

The beautification committee of the Summit Area Development Committee announced this week that it would present "Green Thumb" awards to local merchants who best maintain their flower planters from now through September.

In all, seven awards will be made to merchants in as many areas in the city's business district. The areas include Springfield avenue beyond Beechwood road, Beechwood road, Maple street, Beechwood road, Union place, Summit avenue and Bank street.

Chairman of the beautification committee, Mrs. C. Douglas Hardy, and her co-chairman, Mrs. Robert Downes, and a committee which will be announced later, will handle the award arrangements.

To date, approximately 80 planters have been purchased by local merchants, and were made available by the beautification committee at nominal cost. Suggestions for the planting of the flowers in the planters were provided by the Garden Club.

Council to Again Weigh Speed Limits

A second hearing on the city's proposed speed limit ordinance will be held by Common Council on Tuesday at 8:30 p.m. in City Hall.

Car Mishaps On Increase, Report Shows

Automobile accidents in the city are again on the increase, the monthly activities report of the Police Department reported this week.

According to the report, during the month of May, 27 accidents occurred within city limits, bringing the total for the first five months of 1965 to 167, which was eight more than the 159 reported during the comparable period in 1964, when 16, or nine less, occurred in May.

During the month, there was also one fatality reported, which brought the year's total to two. Last year at the same time the total was one, with none reported in May.

In addition, the report showed that there were 12 personal injuries during the month, as compared with 11, or one less, during the previous May. The total for the year now stands at 49, which is one less than the 50 recorded at the same time in 1964.

Pedestrian injuries for the month numbered one, bringing the five-month tally to three, which is seven less than the ten reported at the same time last year, when four, or three more, occurred in May.

During the month, police reported issuing 83 summonses for moving violations, which was 36 more than the 47 issued during May, 1964. The 1965 total now stands at 359, which is 122 more than the 237 issued during the same period in 1964.

An upswing was also reported.

Viet Discussion Sponsors Hint Second Meeting

Sponsors of an area-wide interfaith discussion of the Viet Nam war held last Thursday at the YMCA indicated this week that they are considering another such program in the fall.

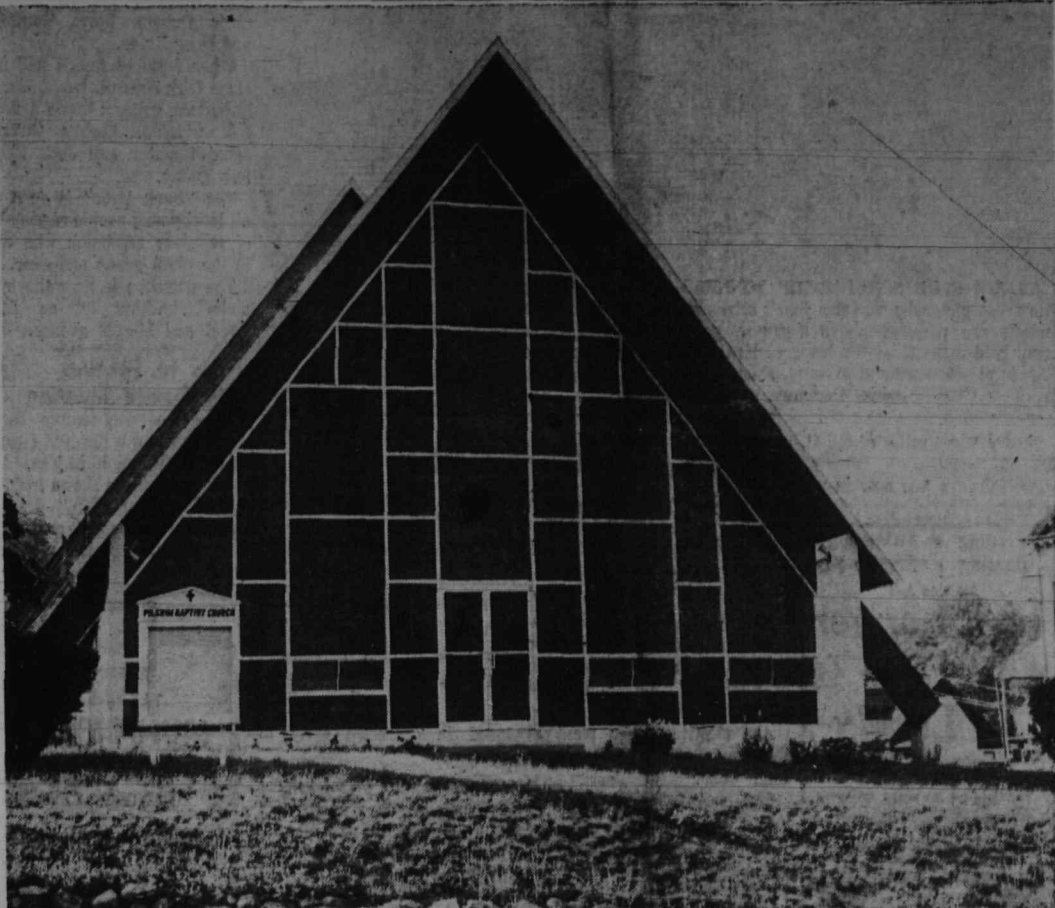

The backers said that a second panel discussion would be necessary in order to give a "more balanced" view of the problem. There was some criticism among the 50-member audience that the panel discussion by three clergymen was "too one-sided." At least two persons left the meeting because of what was termed its "lopsidedness," one of them a sponsor of the session.

All three panelists, Rabbi Israel Dresner of Springfield, Dr. Paul Dudley Clasper of Drew University and Rev. Daniel Kilfoyle of St. Peter's College, Jersey City, spoke against the government's policy in the Viet Nam conflict. Cited were alleged violations of religious doctrine, national sovereignty and international law.

The meeting was originally scheduled to be held at Central Presbyterian Church but was transferred to the YWCA by Rev. Robert Stephens, D.D., who objected to the term "preach in" used in a Herald headline the week before. Dr. Stephens said the term put the meeting "in a light I cannot endorse."

He then directed that the discussion not be held at Central Church.

Jewish Center Reveals Need for Larger Quarters

Because of an expanding congregation and increased activities, the Jewish Community Center has outgrown its present 10 year old building, it was learned this week.

Present plans are to either sell the existing structure and build elsewhere in the Summit Area, or add on to the present building located at the corner of Morris avenue and Kent Place boulevard.

It is known the Center has offered to sell the building, and among those approached has been the Board of Education, which finds itself cramped in its own quarters on Maple street.

Asking price for the Center facilities which would include 1 1/2 acres of land is \$175,000.

Current plans call for a full study of need facilities, and it is still undecided whether to seek a new site outside of Summit on which to build, or expand the present structure. It is understood that a decision will be made sometime before September of this year.

No decision has as yet been made as to where the Center would build if it decided to relocate outside of Summit, although New Providence and Berkeley Heights have been mentioned as possible sites.

At present the congregation numbers approximately 175 families. Since 1955 when the present structure was built, the Center has increased its membership by nearly 100 per cent.

The Jewish Community Center was founded in 1929 and was an outgrowth of the Unity Club. Rabbi Levy was the first to occupy its pulpit.

The present spiritual leader of the synagogue is Rabbi William B. Horn. Current president of the congregation is Howard Popper.

Vandals Hit Home of Kent Place Headmaster

A newly renovated home for the new headmaster of Kent Place School was defaced by vandals last Sunday when paint cans were knocked over and walls were smeared with eggs. The house is located on campus grounds at 69 Norwood avenue.

The new headmaster, MacDonald Halsey, is scheduled to arrive on July 1. He replaces Miss Florence Wolff who retired.

WORK OF VANDALS—Rock-throwing vandals inflicted an estimated \$200 in damage to Pilgrim Baptist Church last week when five windows shown above were smashed. A community fund to help defray expenses for repairs has been set up and already donations are at the \$190.50 mark, with one donor, who wishes to remain anonymous, stating he would contribute the balance. The windows were smashed late in the evening on June 3. It is the second time in eight months that vandals have hurled rocks through the church's windows. (Wolin Photo)

Call for Helping Hand Does Not Go Unheeded

Local residents as well as two shocked at the vandalism to your church." The short letter addressed to Dr. Trapp and The Herald said "Thank you for helping us tell the Pilgrim Baptists that we admire their handsome church building and deplore the evil childishness of its vandals."

The church, built in 1961, has a complete glass front, and over the last four years, windows have been hit three times.

The latest vandalism, in which five windows were broken including one in a door, is thought to have occurred late in the evening of June 3, since the damage was discovered early Friday morning by a church member. Several rocks were found inside the church.

The last time a window was smashed, it cost \$132 to replace since it had to be specially ordered from Pittsburgh. The same window was again smashed two weeks ago.

Police are continuing to investigate but as yet have no leads as to who might have committed the vandalism.

Annual July 4th Observance to Include Circus

The Aerial Leighs will be the featured circus acts to be presented at the annual Fourth of July celebration scheduled for Memorial Field on July 5, with the circus starting at 4 p.m.

Performing at the organ before, during and after the circus show will be Jerry Vincent, while Jimmy Joyce will be master of ceremonies.

Other acts in the show will be the Kelroys, an Australian international aerial trampolinist, Cime's Dogs, featuring pomeranians and Russian wolf hounds, and Nicky Redavid, world's paddle-ball champion. Billy Barton will perform a balancing act.

The Fourth of July celebration will get underway with a flag raising ceremony at 9:45 a.m. Feature programs of the day will include boys' and girls' novelty events at 10 a.m., softball games at 11:15 a.m., and 1 p.m. and fireworks at 9:10 p.m.

Family tickets for the day-long event are being sent local residents through the mail. Minimum contribution is \$2 per family.

Seniors Dedicate 1965 Yearbook To Alton J. Gast

Alton J. Gast, principal of Summit High School, has been honored in the 1965 TOP, senior yearbook, which this year is maroon with white decoration.

As the first graduating class to spend the complete three years in the new high school building, Mr. Gast was cited for "pastel classrooms with matching boards, the innovation of a language lab, the triple gym, the soft cushions on auditorium chairs, the science quadrangle, the carpeted library, the spacious light-filled hall."

Special mention was also made in the yearbook of Jens Boe, exchange student from Denmark, and Janet Wise, who spent her junior year at school in South Africa. Both students participated in the American Field Service program.

Yearbooks were distributed to seniors at the Senior Banquet, held May 28 at the Hotel Suburban. Theme of the book is the pendulum and the passage of time.

Editor-in-chief of the TOP was Margaret Machner, while Diana Pozzi was business manager.

Other staff members included Jill Barr, literary editor; Sue Heberling, assistant literary editor; Pam Deitrich, layout editor; Christy Limbach, assistant layout editor; and Mary MacArthur and Russ Thomas, sports editors.

Mike Bloomstein led the class with top honors in the accolades department. He was voted most likely to succeed, most versatile and most athletic.

In addition, six members of the class were voted double honors. Greg Hubert was

Employer Response To YES 'Excellent'

Employer response to the Y.E.S. plea drive for summer jobs for students has been "excellent so far", but more steady jobs are still needed.

Spot jobs can be filled, although a full-time job is the goal of most students. The Y.E.S. office officially opens June 28, at Central Presbyterian Church, but employers and students may register now by calling Cr. 3-1833.

Last year 89 students between 14 and 19 were placed in part- or full-time employment, and a post-summer survey of their employers indicated "complete satisfaction" with the student-workers. The 24 different job categories filled last year included baby-sitting, office work, lawn and garden care, construction and restaurant work.

Summit High To Graduate Record 382

The largest graduating class in the history of Summit High School will receive diplomas next Wednesday during the 67th annual commencement scheduled at Tatlock Memorial Field beginning at 7 p.m.

The number graduating totals a record 382, an increase of 89 over the 293 who graduated last year.

Of this year's total, 188 are girls and 194 boys. Last year the class included 149 girls and 144 boys.

Because of the size of the graduating class, this year's exercises will be held outdoors for the first time. In case of inclement weather, the ceremonies will be held in the Senior High School gymnasium at 7:30 p.m.

According to Alton J. Gast, principal, the Class of 1965 includes: Beryl Cecily Adams, James Francis Adams, Linda Louise Adams, Robert Benbow Adams, Elaine Jean Aikenhead, Lillian Mary Alexander, Susan Wood Allison, Carlos Alvarez, Rosendo Jose Alvarez, Jane matching boards, the innovation of a language lab, the triple gym, the soft cushions on auditorium chairs, the science quadrangle, the carpeted library, the spacious light-filled hall.

At Memorial Field, the staff will include Mrs. Katherine Finnigan of 23 Edgar Street, a teacher in the Summit school system, returning for her second year; Miss Jane Eddy of 22 Garden road, a senior in education at Lindenwood College, returning for her third year; and John Schmitz of 141 Canoe Brook Parkway, a newcomer to the play ground staff, who is a sophomore at Williams College.

Tatlock Playground, opening for its third year of activity, will be staffed by Miss Janet Daniels of 21 Glen Oaks avenue, and Jerry Britt of 556 Springfield avenue. Miss Daniels, and English major at Rosemont College, will be working on the playgrounds for the first time, while Mr. Britt, a three year veteran with the program, attends Mokendree College.

Bruno Tomalino of Short Hills, a three-year man with the Board of Recreation and athletic director at the Short Hills Country Day School, will be located at Edison Playground. Miss Linda Gast of 8 Manor Hill road, a junior at Cedar Crest College will assist at Edison.

Miss Lois Winer of 92 Tulip street, a veteran of the Summit playgrounds will return for her second year as a leader at Mable Playground. Willie Malory of 408 Broad street has assisted in a number of recreation programs, and will serve as a leader at Mable for the second year. Newcomer Dan Boehm of 20 Clearview drive, a sophomore at Miami University of Ohio, will round out the Mable playground staff.

At Lincoln Playground, Joan Kautzman of 53 High street will work with Gregory Odjakjian of 59 Woodland avenue. Miss Kautzman is a junior at Skidmore College, and is a newcomer. Mr. Odjakjian, a senior at the University of Southern Mississippi is also working on

A \$725,000 long-range development program to provide expanded services for Summit Area residents was announced today by the YWCA.

The proposed program, which could extend over the next decade, is expected to go into action in early 1966 when a capital fund campaign is planned.

The expansion would add an additional 16,000 square feet to the existing facilities and include a 35x75-foot swimming pool. The addition would be constructed along Maple street. The additional land needed for the expansion is owned by the YWCA. Extra parking facilities are also included in the long-range plan.

"When our building plans are completed later in the decade," said Mrs. F. W. Amberg of 10 Harvey court, president of the YW, "we will be able to offer a complete indoor health, physical education, and recreation program—including swimming. Our education and group programs will be able to schedule additional teen-age and adult clubs and classes in such subjects as arts, crafts, music, and dramatics."

"In addition," she added, "we will be able to increase substantially the number of people who can attend classes and activities in other subjects for which we presently have no room. The new building—which will double our present floor space—will also be available for a wide range of family activities and community meetings throughout the year."

A committee to develop community support for the forthcoming capital campaign has been formed under the chairmanship of Mrs. Robert M. Dunsmore, of 55 Rotary drive. Consultation on all aspects of the program is being maintained with the United Funds of Summit, New Providence, and Berkeley Heights, in which the YW participates as a member agency.

Members of Mrs. Dunsmore's steering committee are: Leonard Best, Mrs. Karl Keller, Mrs. Clinton E. Leech, Harold T. Graves Jr., Mrs. Bruce B. Findley, Mrs. George Brooner, all of Summit; Mrs. G. E. Schindler Jr., of New Providence; Dr. E. R. Nightingale Jr., of Berkeley Heights; L. W. Roberts, of Short Hills; Mrs. Amberg and Miss Mary Emma Farmer, executive director of the YWCA.

The new facilities for the YW will be an annex to the YW's present head quarters on Morris avenue. Chief feature will be two floors of additional club and class rooms, activities areas, and a nursery; an indoor swimming pool; and larger administrative and service facilities. The design of the building will be by Ludlow and Jefferson, architects, of Summit.

According to Mrs. Amberg, the development program has been under study since 1962. The plans now formulated are based on an extensive survey of the needs of the communities served

Three Hurt In Pair of Car Mishaps

Two road mishaps were responsible for injuries to three persons here during last week-end.

On Thursday, two persons were hurt in a car-motorcycle accident on Morris avenue near the Italian-American Club. Taken to Overlook Hospital for treatment of leg and arm injuries were Michael Palschakor, 23, of Plainfield, driver of the motorcycle, and Michael Pedicini, 16, of 215 Ashland road, a passenger. Driver of the car was identified as Fred J. Koby, 36, of 11 Clark street. He was uninjured.

Mr. Koby told police he was driving west along Morris and attempted to make a left turn into the Italian-American Club driveway when he was hit from behind. Palschakor said the mishap allegedly occurred when Mr. Koby made the turn without sufficient warning.

The motorcycle was badly damaged and was towed from the scene. Investigating was Patrolman Larry Kelly.

Preben A. Johanson, 35, of Millburn, was taken to Overlook Hospital for treatment of injuries when his car went out of control and crashed into a pole on Morris avenue near Prospect street last Saturday. He suffered lacerations of the face and right arm.

Mr. Johanson told police he was driving west on Morris at the time of the accident and was allegedly cut off by an unidentified driver who turned into Prospect street. He said he lost control of the car and smashed into the pole in front of the YWCA.

The car was described as a total wreck. Investigating the accident was Patrolman Marvin Wrisley.

Church School Sets Reaistration Dates

The Jewish Community Center, has announced that registration dates for religious school for the year 1965-1966, will take place Sunday from 9 a.m. to 11:30 a.m. and on Tuesday, from 8 p.m. to 9:30 p.m.

Two programs will be offered. The Sunday School encompasses ages five, six and seven, kindergarten and first and second grades in public school. The religious school which meets three times a week, accepts students who are either eight years of age or are in third grade in public school.

Registration for both programs will take place on the above dates.

Board Downs Amendment To Teacher Policy Code

Berkeley Heights — The Union County Regional High School Board of Education last week named three new teachers for the coming year, defeated a motion to change the three-day teacher sick leave policy, and disputed the salary for a newly hired summer session director.

Teachers named were Miss Lynn J. McCormack of Fanwood, Theodore Amo of North Plainfield, and Robert A. Josen of Perth Amboy.

In another appointment the board named Boyd Sands Jr., acting vice principal at Governor Livingston Regional High School, as acting director of the six-week summer session in the high school. He will receive \$1,500.

Board members Robert Powers and William J. Melick voted against the appointment because they felt the salary was too high.

The board also appointed George Konechi of Berkeley Heights as a \$4,225 per year custodian.

In other matters the board voted 5-3 to defeat an amendment to the teacher policy code which would have required teachers absent for more than three days to present doctor's certificates to school nurses upon their return to school.

The present policy provided for a certificate after two days of absence.

Opposing the measure were board president Avery W. Ward and members John A. Hopping, Alfred Battaglia, Powers and Melick.

The change was suggested by school nurses as a system to simplify their bookkeeping procedures. The board voted down the amendment noting it felt the present system was a bet-

ter means of controlling teacher absence.

In a related move, the board approved an amendment to the teacher code which prevented the granting of absences without pay for faculty members only after approval is given by the superintendent of school. Previously, individual school principals could grant the absences.

In other action, the board approved School Superintendent Dr. Warren M. Davis' recommendation that Governor Livingston High accept membership in the Watchung Athletic Conference.

Camera Club Year Awards Handed Out

New Providence — Ed Jaeger of the Hillcrest Club recently judged the final competition of the New Providence Camera Club and awarded the top medal to Keith Wamsley of Millington for his print of the year, "Long Journey," and the top medal to Carl Sturmer of New Providence for his slide of the year, "GMR 89."

He also awarded the second and third place medals to Wamsley for his black and white prints, John Fulton of Murray Hill and Sturmer placed second and third in the color slide division.

In the final club competition, Mr. Jaeger gave the top prizes to Fulton and Wamsley for their prints, Sturmer and William Griffin of Summit were given the top awards for their color slides, while Joseph Karevis of Union and Paul DeSilva of Summit won honorable mentions.

The newly elected officers for the coming year were also announced; Jack Key, president; John Fulton, vice-president; Mrs. William Pattison, secretary, and Mrs. Marion Wilkens, treasurer.

The final meeting of the year will be held Wednesday, June 23, at the home of Mrs. William Pattison, 1 Ridge Drive East, Berkeley Heights.

Players Name New Officers, Fall Production

Berkeley Heights — The Stony Hill Players held their final meeting of the season June 9 at the William Woodruff School. The general purpose of the meeting was to elect officers for the coming year.

Named to lead were Sue Wadas, president; Ken Thorpe, first vice president; Glen Morris, second vice president; Joan Dean, corresponding secretary; Ellen Kissenberth, recording secretary, and Madeline Weaver, treasurer.

The Fall play selection, "Guys and Dolls," was announced by the officers. The Damon Runyon play will be directed by Jean Evans.

The Players final function of the year will be a picnic held June 19 at the home of Mr. and Mrs. Rudolph Wood in Berkeley Heights.

The U. S. record for high jumping horses is held by a horse entered by Fred Veysey at the South Shore Country Club in Chicago in 1920's. The horse cleared the bars at 8 feet.

WINS COUNTY POST — By a vote of 136 to 111, Mrs. Helen M. Huber of 19 Karen Way was reelected vice-chairwoman of the Union County Republican Committee during the group's annual meeting held last Tuesday night. Mrs. Huber defeated Mrs. Lillian Kobb, Republican City Committee chairman of Roselle Park. The contest was the only one for county posts. Mrs. Huber has been a member of the county committee for the last eight years and for the last five years, has been vice-chairwoman of the Republican City Committee. She is a member of the board of the Union County Republican Women's Club and the newly-formed Summit Women's Republican Club.

St. Teresa's To Graduate 70 Students

Traditional, formal ceremonies at St. Teresa's Church tonight will mark the graduation of seventy students from the school's eighth grade. The Rt. Rev. Msgr. George T. Smith, pastor, will confer diplomas and awards on the graduates.

Rev. Luis F. Fimiani will present the graduates to Msgr. Smith and will announce the names of the two honor students to receive gold medals for general excellence in all studies. Winners of the special religion, English spelling and mathematics will also be announced.

Literary awards will go to Susan Rauch, a finalist in the New Jersey Catholic War Veterans' essay contest, and to Robert Ogorzal, first prize winner in a poetry contest sponsored by Catholic Daughters of America, Court Benedict. A scholarship to Marylawn of the Oranges will be given to Pamela Bonnell for outstanding scholastic ability.

In his address to the graduating class, Rev. Leonard T. Volenski will call on the graduates to become mature Christians during their high school and college years.

Benediction of the most blessed sacrament and the recessional will conclude the graduation exercises.

The day's activities began this morning with the annual breakfast for the graduates and their mothers in the parish auditorium following the graduation Mass. The Parents' Guild sponsored the event at which Mrs. James Bartz was toastmaster. Msgr. Smith gave the principal address and Sister Anne Roberts school principal, also spoke. Mrs. Henry McCaddin served as chairman of the affair assisted by Mrs. Vincent Riggio, Mrs. George Kline, Mrs. Anthony Dilonno and the mothers of seventh grade students.

Members of the graduating class include Peter Barden, Stephen Barden, Georgiana Baracca, Pamela Bonnell, Amel Bontempo, Miriam Burger, Robert Cafaro, Joanne Caporaso, John Carolan, Michael Close, Robert Core, Brian Couter, Joseph Coveney, Michael Coyne, Geoffrey Cronin, Steven Crowley, Michael Delaney, Patrick Delaney, Diane Della Piazza, Americo DeNoia, Paul Dillon, Bruce DiRuggiero, Thomas Donohue, Denise Elles,

Five Summer Shows At Mill

The Paper Mill Playhouse announces its forthcoming summer season of five shows, one of which will move directly to Broadway after the Mill engagement.

Following the final musical, Beatrice Lillie in "High Spirits," Bert Lahr will kick off the season with Broadway's "Never Too Late." The story concerns a middle-aged man who has just discovered, about twenty years after he has given the matter any thought, that he is going to father a baby. The comedy will play for two weeks, from July 20-31.

Hans Conried has been chosen to star in the second comedy of the season, "Absence of A Cello." Ruth McDevitt will also essay her original Broadway role in this production which asks the question, "Can a brilliant, if not somewhat humorously eccentric scientist, find happiness within the regimentation of a large corporation that's considering him for hire." Absence of A Cello will play from August 2 through 14.

Shirley Conway, who has won national acclaim through her TV series, THE NURSES, will star, along with Edward Binns, in one of the most powerful dramas of the century, "Come Back Little Sheba," by William Inge from August 16 through 28.

Martha Raye will bring audiences back into the realm of comedy again with "Everybody Loves Opal," by John Patrick. Miss Raye will be starred as the guileless, scatterbrained recluse who, garbed in forlorn, tattered overcoats, a man's brogans and red earmuffs, scours her neighborhood ceaselessly for old junk, and then stacks it in the old haunted house she inhabits. It will play two weeks from August 30 through September 11.

The final offering of the Paper Mill season will move directly to the Henry Miller Theatre on Broadway after its two-week Millburn run. Lee Tracy and Dennis King have been signed to star in a new comedy-drama entitled "Minor Miracle," by Al Morgan. In a recitatory in Manhattan, a religious portrait sheds real tears, and the followers believe it to be a miracle. Minor Miracle will at the Mill, playing from September 13 through 25.

Entry Stickers For Nat'l Parks

If you plan to drive to national parks and other federal recreation areas where an entrance fee is required, you can save money by obtaining a U. S. Recreation Conservation bumper sticker at the nearest office of the American Automobile Assn.

The 3" x 3" green and white sticker, which costs \$7, is valid up to March 31, 1966.

"All major parks and wildlife areas have a minimum entrance fee of one to three dollars," said F. Kenneth Schultze, general manager of the New Jersey Automobile Club (AAA), "and we estimate that the average traveller visiting these places spends \$10-15 on entrance fees."

YWCA Lists Highlights Of Summer Study Course

Highlights of the social work interest group in the YWCA's summer enrichment program for senior high school girls, to be held during the month of July, have been announced by the teenage program committee. On July 6, Dr. Preston Wilcox, associate professor, School of Social Work, Columbia University, will be host to the group and will discuss "What Is Social Work? Opportunities in the Field."

The girls will tour the university, talk to other professors and graduate students and will attend a seminar being conducted for college seniors interested in the social work field. Dr. Wilcox has commented "I am happy to see the Summit Y starting to acquaint young people at an earlier age with the career opportunities in social work."

A visit has been planned to the Court House at Elizabeth, where Thomas DeLuca will conduct a tour of the building. This will be followed by a discussion on probation by Mrs. Faye Granberry, Union County probation officer. The session is designed to show the role of the case worker in the probation field.

On July 12, the girls will be the guests of Louis Berkowitz, executive director of Education Alliance in New York. They will get a taste of the work that is being done in a large agency that employs many different kinds of social workers.

The social service staff of John E. Runnells Hospital will be hosts to the group on July 14 and will help to orient the girls to the opportunities for social workers in a hospital setting. Discussion will also be given to allied fields such as occupational, recreational, and physical therapies, and the role of technicians. The field of geriatrics as a social work concern will also be interpreted.

Dr. Frank A. Pasick, assistant professor of sociology at

Rutgers, will speak to the girls on July 15 on the subject "Educating Culturally Deprived Children: New Jersey Summer Schools for Children of Migratory Workers." A film on migrants in New Jersey will be shown and young people working with migrants from the Council of Churches program will talk to the girls about this social condition.

A speaker on the poverty program is also scheduled, giving emphasis to the philosophy behind the program and the career and vocational opportunities that are available.

The next two weeks of the 4-week program will be spent in a variety of actual work experiences: some of the girls will work with the recreational specialist at the John E. Runnells Hospital and some will work in the Summit "head-start" program.

The last week will be aimed at giving the girls an opportunity to learn about research and statistics, a vital aspect of social work. They will work with Howard Goeringer, community relations worker, on a large Council of Churches survey in the Ironbound section of Newark.

Other interest groups in the summer enrichment program include arts and crafts, dramatics, and career opportunities for women. The program will begin on July 1 with an orientation session. Groups will meet from 1 to 4 p.m. on Mondays-Thursdays, and on Fridays from 1 to 11 p.m. Girls in the 9th-12th grades may register for two-week sessions in arts and crafts, dramatics and career opportunities and for 4-weeks in the social work group.

Since each two-week session in the former groups will be different, those interested may sign up for an entire four weeks.

Openings are still available in groups. Registrations must be made as soon as possible.

Pilgrim Baptist Vandalism

The second senseless stoning of Pilgrim Baptist Church, reported in last week's issue, has disgusted the community. It also has brought out the inherent goodness of the community by the prompt donations to pay for replacement of the five smashed windows at an estimated \$200.

It is difficult to find an explanation for this wanton vandalism against a church. It does appear to be the work of a psychotic individual or individuals. Others might say it was an outburst of youthful spirit, misdirected sport, or even a racial resentment. No one knows the reason.

But when all these alibis have been exhausted and the act examined in the cold light of human behavior, it means that we have in Summit some depraved individuals. Anyone who can find it fun or mere mischief to desecrate a house of worship is a psychotic person.

The stoners could not have chosen a better target to arouse the anger and sympathy of the community. Pilgrim Baptist Church is an institution which has produced community pride. It is a struggling congregation and it has overcome great obstacles, mostly financial, from its start in very humble quarters on Glenwood Place to its present attractive building on Morris avenue. The members of the church went into personal debt to build the church and they built it mainly with their own hands by working on week-ends and evenings. It was no easy job and money was always a problem and there were

times when work was at a standstill for many months until more funds could be obtained.

But the congregation persevered, the job was completed, and the church is a handsome reality and serves a growing membership. However it is still a struggling church and an unexpected blow such as the costs of replacing its windows presents a fiscal problem of some magnitude.

Fortunately the community is solving that particular problem and it seems safe to say that the church will be given the entire \$200 it needs to repair the damage.

The police are doing their utmost to determine the identity of the vandals and we hope they will succeed. And we hope that when they are discovered that their names, regardless of age, will be a matter of public record — as well as their punishment. There should be no instance of coddling juveniles in this case.

If they or their parents can not pay for the financial damage they have caused they should be given some other harsh penalty to impress upon them their wrong doing. There is grass to be cut at Pilgrim Baptist Church, shrubs to be tended and windows to wash. It would not be out of line to sentence the culprits to a stiff term of maintenance of the church with the understanding, of course, that failure to meet the proper standards would result in an extension of their labors. Perhaps if they sweat a bit caring for the church grounds they will learn to care more about churches in general and the rights of others.

Deaths

Andrew C. Cattano

Andrew C. Cattano of 9 Midland terrace died of a heart ailment Monday in Overlook Hospital. He was 65.

Mr. Cattano, who was born at Morristown and retired last December 31 as an executive with the Great Atlantic & Pacific Tea Co. in the New Jersey metropolitan area. He had been associated with the company for 42 years.

Mr. Cattano, a veteran of the Marine Corps, was a member of Summit Post No. 138, American Legion. He also was a member of the Holy Name Society of St. Teresa's Church and of Summit Council, K. of C. He had lived in Summit for 45 years.

He is survived by his wife, Mrs. Zella Bontempo Cattano; three sons, Conrad A. and Emil C., both of Murray Hill, and Dr. Andrew N. Cattano of Philadelphia; two brothers, Peter C. of Freeport, L. I. and Frank of Massapequa, L. I.; one sister, Mrs. Martin Chirco of New Castle, Del., and seven grandchildren.

The funeral was held yesterday from the Brough-Funeral Home, 535 Springfield Avenue, with a Mass in St. Theresa's Church.

Mrs. Harry Kern

Mrs. Marie E. Kern, of 165 Union avenue, New Providence, wife of Harry E. Kern, died a week ago Tuesday in Overlook Hospital. She was 68.

Mrs. Kern was born in New York City and lived in Jersey City before moving to New Providence 40 years ago.

She also leaves two sons, Harry Jr. of Chatham and Donald of New Providence; a daughter, Mrs. Marion Dwyer of Morris Plains; a brother, William Eiberger of Hazlet; two sisters, Mrs. Ellen Francois and Mrs. Ida McCormack, both of Jersey City; and seven grandchildren.

The funeral was held last Friday from Brough Funeral Home, 535 Springfield Avenue, with a mass in Our Lady of Peace Church, New Providence.

Mrs. Hyman Cohen

Mrs. Sophie Cohen, widow of Hyman Cohen, died at her home at 147 Summit Avenue on June 7. She was 87.

She is survived by three daughters, Mrs. David Sherry of Madison, Mrs. Albert Brill and Mrs. Joseph Engel, both of Summit; a son, Jack Cohen of Bridgeport, Conn.; five grandchildren and eight great-grandchildren.

Dr. Robert E. Waldron

Dr. Robert E. Waldron of 40 Deerfield Road, Murray Hill, a retired medical director of the Public Service Coordinated Transport Co., died a week ago Tuesday at his home. He was 58.

Dr. Waldron was born in Lyons and lived in Kearny before moving to Murray Hill eight years ago. He was a graduate of Columbia University and Boston University Medical School in 1933. He served his internship in Belleville and in Newark City Hospital.

He served as a captain with the U.S. Medical Corps during World War 2. He retired two years ago from Public Service due to illness.

Dr. Waldron, a surgeon, was a member of the American College of Surgeons, American Medical Association, Industrial Medical Association, and Essex County Medical Association. He was a former treasurer of the Confraternity of Christian Doctrine and the Holy Name Society of Our Lady Queen of Peace Church, New Providence.

It may appear somewhat strange to allocate to bank robbers, bookies, car thieves and the like an important role in this country's space program. But the role has been definitely established and, on reflection, why shouldn't this be the case.

Before anything is given its actual tryout in space, it is first tested as a simulated exercise on earth with conditions as closely related as possible to those encountered in space. We hear much of the volunteers for these tests when they come from civilian life, or the armed services but we seldom hear of these others whose function is every bit as valuable and whose risks are just as big.

The human guinea pigs are men serving in federal prison at Danbury, Conn. During the last three years their experiments have yielded important information to help space men. Their newest undertaking is to try to determine why the astronauts after reentering the atmosphere, are subject to dizziness.

The test is far from easy. The climax will be reached when cardiac catheters are inserted into a vein in the arm and guided directly to the heart where ob-

servations and recordings may be taken of heart action under simulated space conditions.

Why shouldn't these men take part? They have broken society's laws but that fact does not rule out their interest in activities of the outside world. Among their numbers there may be men who possess the pioneering spirit which makes them willing to face the unknown.

Doubtless the men who serve as volunteers enjoy relief from the boredom of prison life. They are under guard and they have terms to serve but while they are acting as guinea pigs they enjoy departure from hard and fast prison regimen. Finally, there is caste and hero worship behind prison walls. The volunteers for these dangerous tests automatically are set apart from their fellows.

There is no good reason why these convicts should not participate in space tests. If, because of the experiments they undergo, space flight is made safer for the astronauts, why not bid the prisoners welcome and suggest that more of them become volunteers.

Court Awards \$100,000 in Car Injury Suit

A former Summit resident and his 29-year old son were awarded \$100,000 Monday as settlement of a claim for a

brain injury suffered by the younger man in a 1958 New York car accident.

Harry R. Schmidt, the son, will receive \$60,000 under the terms of the settlement reached before Superior Court Judge Walter L. Hetfield, 3rd, while his father, Harry C. Schmidt will be given \$40,000.

The Schmidts formerly lived at 690 Springfield avenue. The son, who was 22 years old at the time of the accident, is currently confined to a Cleveland nursing home, while his father is also a resident of Cleveland.

Defendants in the suit were Wilbur E. Dow, Jr., and his son, William P. Dow of Millburn.

The younger Schmidt was injured June 3, 1958 near Saratoga Springs, while riding in a car owned by Wilbur Dow, Jr., and driven by Dow's son. The car allegedly ran off the road and struck a tree. Dow was the only person named as a defendant in the suit.

Attorney for the plaintiffs was Herman D. Michels of Newark.

Host Family Named For New AFS Student

The American Field Service Chapter of Kent Place School has announced that Mr. and Mrs. Henry C. Dearborn of 32 Colt road will be the host family next year to AFS student Elsebe Venter of Johannesburg, South Africa.

Miss Venter will complete her senior high school year at Kent Place School. Her American "sister" will be Miss Eve Dearborn, who will also be a senior.

SOROPTIMIST OFFICERS—New officers of the Soroptimist Club are shown at their recent installation dinner held at Canoe Brook Country Club. Left to right are Mrs. Naomi B. Faison, treasurer; Mrs. H. M. Foster, director; Mrs. Dorothy Hughes, director; Mrs. Welton V. Johnson, president; Mrs. W. A. Ramsey and Miss Emily Joest, first and second vice presidents; Miss Doris Rath and Mrs. Harold Hudson, recording and corresponding secretaries, and Mrs. H. M. Jacoby, director. The installing officer was Mrs. Florence Ford of Flemington, eastern district secretary. (Wolin photo)

Local Man Set To Make 87th Court Visit

Edward W. McAllister of 8 North street, will make his 87th court appearance tomorrow in his running battle with the New Jersey Courts.

Mr. McAllister will appear before Judge John L. Collins at the Essex County Court House in an effort to unshackle his legal woes which he claims has cost him over \$200,000 and the taxpayers \$100,000.

Among local witnesses summoned to appear during tomorrow's hearing are Mrs. Archibald Murray of 54 New England avenue, and Patrick J. Fitzgerald, municipal court clerk. Neither has been told why they have been ordered to appear. McAllister has also indicated that if there are further hearings, other local residents may be called to testify.

McAllister's legal difficulties stem from a divorce action. He claims he's being illegally kept from seeing his 11-year old daughter. In recent appearances before Common Council McAllister has demanded the removal of Municipal Magistrate Albert H. Bierman and has labelled the Municipal Court a "concentration camp".

Start it up and it turns into a Volkswagen.

Twist the key of the Karmann Ghia, and all kinds of wonderful things happen. For one thing, the motor starts. Don't laugh; a lot of other conventional engines might not. Especially on a miserably cold winter morning. The reason the Ghia revs right up is because it's got one of those air-cooled Volkswagen engines in the back. Drive a Ghia for a while, and your gas and oil bills will fall into that economical Volkswagen tradition. Tires will take you some 40,000 miles, Volkswagen style. You'll get that remarkable Volkswagen traction. The easy availability of Volkswagen parts. The reasonably priced Volkswagen service. Ditto for everything else Volkswagen. But there is one thing that's a far cry from our beetle-nosed job; the Karmann Ghia's beautiful Italian-designed body. So you can start it up, turn into a little bug, and nobody will know you're undergoing a metamorphosis. Except you.

Gentlemen:

I understand that you're offering to install automatic, dusk-to-dawn, outdoor area lighting at my business, plant or home for as little as 12 cents a day. I'm particularly interested in the fact that there is no investment or down-payment required, and that the low monthly rate covers all materials, installation, maintenance and electricity. Please send me full information.

Meet the revolutionary new
STOW-PAC
Air Conditioner

- Stow-Pac steals no valuable floor space.
 - Installs in attic, out of sight.
 - Built-in attic fan at no extra cost.
 - Requires no conventional ducts.
 - Needs no outdoor condensing unit.
 - Requires no unsightly wall or window modifications.
- Stewart-Warner's new Stow-Pac wraps your entire home in a blanket of cool, filtered, dehumidified air. Just like a household refrigerator, it's self-contained, factory charged and hermetically sealed, for years of trouble-free service.
- Stow-Pac has a built-in attic fan at no extra cost. It automatically exhausts hot attic air, which reduces operating cost up to 13.5%.
- Stow-Pac can be used in any home heated with: warm air, water, steam or electricity. Call for free Stow-Pac air conditioning survey for your home. No obligation.
- Get the facts on Stow-Pac soon.
- Two sizes: 24,000 and 36,000 BTU. UL-approved.

7 Teachers are Hired By Heights Schoolmen

Berkeley Heights — Seven has accepted another teaching position. Robert D. Laib of Timber Drive asked if funds were included in the school budget for music supplies. He was told they were and then asked why it was that children in instrumental music are required to purchase music in order to participate as members of the band in the Spring Festival. Bothwell suggested that the reason might be that there was not enough money appropriated to purchase everything needed by the department. Laib then asked why it was necessary in the same program for the vocal music teacher to purchase her own music to teach to the children. Bothwell said "This I can't see" and added that no request had come through his office for purchase of the music for these affairs and said "if it had been requested, it would have been approved."

Bothwell said in answer to Laib's question about the lowest grade when instrumental music would be taught that it will be fifth grade since there is such a demand for it. He said if it were started any earlier, Dr. Carl Schwartz, instrumental music teacher, would need additional help in his department.

The earlier a child starts instrumental music, the better it is, as in languages, Laib noted. He said it added to greater enrichment for the child which should be part of the town's outstanding school system.

Dr. John Irvin noted that the board appropriated \$1,000 this year for instruments and Laib commented that that might buy one tuba. Mrs. Sally Barry, board member, said, "but they can buy one every year." She said the school used that money on instruments that it wouldn't normally expect a child to own.

Loyalty Oath

The board was asked by Paul E. Waring of McCane Avenue what criteria is used in obtaining teachers and whether or not teachers are required to sign any loyalty oath.

Bothwell said teachers do sign an oath which is kept on file in the Superintendent's office.

As for securing teachers, Bothwell said applications are received from as many prospects as possible and active recruiting is done in New Jersey, Pennsylvania, Maryland, Ohio and New York State. After applications are received he said teachers are either called in for an interview or if they are near enough "we go see them teach."

References are then sent for from former principals and grades from the colleges if the teachers are new.

Bothwell said colleges are becoming very reluctant to give out grades. He said he tries to have a number of teachers under consideration for any one position and that after he talks to them about their college and practice teaching, they are recommended to the board.

Evaluations

One parent asked if there is a continuing evaluation on a teacher once hired and whether a teacher is ever not retained after the first year if it is felt the schools could do better.

Bothwell said a continuing evaluation is done of all teachers and said there are some who are not offered new contracts. Evaluation is done by the Superintendent, Assistant Superintendent and building principal, he said.

Questioned about the evaluation of future teachers, Bothwell said they are rated twice a year and if it is felt they are slipping they are evaluated more often.

Dr. Irvin said that "once a teacher is on tenure it is very difficult to remove them even if there was some reason to believe it might be better for the school system."

Lehigh Graduates Two from Area

Springfield, and Berkeley Heights.

He is presently affiliated with the Ben Hogan Company and is a District Sales Manager in the Sales Department.

The program will be offered to the first 20 participants in the 6:30 to 7:30 p.m. Section I and the first 20 in the 7:30 to 8:30 p.m. Section II on Monday evenings June 28, July 5, 12, 19, 26 and August 2 and 9. The course includes such fundamentals as the stance, grip, strokes, putting, etc.

Interested participants should send \$2.00 to Hedrick, Recreation Director, P.O. Box 186, Berkeley Heights. For information, call 464-0625 from 12 noon to 8 p.m. Monday through Friday.

Young GOP Set Film at Fund Raiser

The Young Republicans of Union County will show the movie "Carousel" at the Rialto Theater in Westfield on Wednesday, June 23. Mrs. Kenneth F. Yates of Plainfield, Chairman of the organization, announced that this will be the Young GOP's principal fund-raising project for the year. Proceeds will go toward a campaign brochure on behalf of the Republican candidates this fall.

The three chairmen of the project include two local residents: Janice Galletty of Murray Hill and Robert Langen of Berkeley Heights. Mrs. Galletty's husband is president of the New Providence Republican Club, while Langen is one of the vice-chairmen of the County YR's. The third chairman is Miss Nancy Stearns of Roselle Park.

Mrs. Yates announced that advance ticket sales have been brisk and there should be no difficulty in filling the theater. She said there will be an added attraction in that many of the Republican candidates will attend, including Senator Stamler and Senatorial candidate Peter McDonough.

Tickets are priced at \$2. each, and can be obtained through any local YR club or at the door.

Class Night At Columbia To Draw 300

Berkeley Heights — About 300 are expected to attend the traditional Eighth Grade Class Night buffet dinner, tonight at 7 p.m. at Columbia School. In addition to the graduating class invitations were extended to faculty members, members of the Board of Education and the Superintendent of Schools.

The buffet dinner sponsored by the Columbia P.T.A. will be served by the Columbia School cafeteria staff and the class mothers under the direction of Mrs. D. Norman Faber, chairman.

Two student instrumental groups will entertain after the dinner followed by dancing.

Family Picnic Set at Church

St. Andrews Plans New Nursery School

To help meet what it terms "a growing need in the community," St. Andrew's Episcopal Church, 419 South street, Murray Hill, will open a nursery school in September in its new education building.

Staffed by fully qualified professional teachers, the school will aim at socializing three and four year old children before they are sent to public school.

The new nursery school will operate five mornings weekly from 9:15 a.m. to 11:45 a.m. Children may attend two, three or five days a week and parents will be assisted in forming car pools.

Registration information may be obtained by telephone at St. Andrew's Church office, 464-4875, weekdays between 9:30 a.m. and 12:30 p.m.

Stone Rubbings on Library Exhibit

An exhibit of stone rubbings expertly exploited here, and by Norma Anderson Fox of 65 Karen way, is currently on display at the public library, and will continue through July 22.

Most of the rubbings were made locally, from 18th century gravestones and have been exhibited at New York and at Fairleigh Dickinson's Madison campus. She has used some of the stones interpretively, combining parts of carved shapes and letters with various textures to make new designs.

The relief surface which results from stone rubbings is an important element in such design and has been delicately and

Camp Fund Donations At \$2,366

New contributions totalling \$112 for the week brought the 17th annual Summit Herald-Family Service Association camp fund drive above the \$2,300 mark as of Tuesday.

Gifts to date now total \$2,366.63. At this time last year when the fund was in its eighth week, donations were at the \$2,402 mark.

Among this week's contributions was another check from the Playhouse Association in the amount of \$25. The Playhouse had previously donated \$25 on May 6. The additional gift was accompanied by a note which said that "noting that your camp fund is somewhat behind last year's in amount, we are pleased to send a second contribution."

Among those who will be helped by this year's camp fund is Dan, one of four children of divorced parents. At present the mother is having financial difficulties and can barely exist. The boy is largely under the supervision of his grandmother because the mother works long hours. Dan needs an opportunity to have male guidance and relationships which a camping experience can offer him.

Donations to the Camp Fund may be mailed to the Summit Herald office, care of Summit Herald, 22 Bank street, Summit.

Rev. Stewart Zabriskie, assistant rector of the Church of the Incarnation, New York City, will be guest preacher at the 10 a.m. service at Calvary Episcopal Church on the coming Sunday. A native of White Plains, N. Y., Mr. Zabriskie attended Mount Hermon School and was graduated from Yale University in 1958. In 1963 he was ordained by Bishop Donegan of New York following the completion of his three-year graduate work at General Theological Seminary, New York City. He is married to the former Sarah Kirby Miller, daughter of Mr. and Mrs. Bertram Miller of Rowan road.

Summer Course Schedule Listed By Art Center

The Art Center will present summer classes for adults, teenagers, and children beginning Monday, June 28. Each class will be held one day or evening a week for six weeks.

The adult and teenage classes are scheduled morning and evening, Monday through Thursday, and include instruction in painting and drawing or in sculpting. Also, a special open studio life class is available every Tuesday evening for those capable of working without an

instructor.

Tuesday mornings there will be two junior classes, one session for ages 6-9, another for ages 9-12. Both classes will stress the development of the children's imaginative powers in drawing and painting.

Registration is preferred in advance by mail to: Summit Art Center Summer Classes, 17 Cedar street, Summit, (Attention: David De Long); or to: David De Long, 204 Emerson lane, Berkeley Heights.

Further information can be obtained from Mr. De Long at 322-5423, preferably after 5 p.m.

MILDEW grows at 70%. Leather, furs, books and stored valuables are frequently spoiled.

RUST starts at 40%. Tools, furnaces, toys, etc. are often damaged at high Relative Humidity.

WOOD SWELLING starts at 40%. Floors and panels warp. Doors, drawers and windows stick.

An electric dehumidifier will wring the air dry and protect your property against dampness damage. If you have excess moisture in your basement, recreation room, laundry, workshop, library or storage room, then you need a dehumidifier for a full use of these areas without musty odors, danger to health or loss due to rust, mildew and warping. An electric dehumidifier will cut home maintenance cost by stopping the warping of floors and woodwork, the peeling of painted walls and the rotting of stairs and beam supports.

Sports Picture Became Better Than Expected

At the beginning of the school year, it seemed that coaches had little to be optimistic about. Summit athletic stars Mallory Rhines, and Cromwell had graduated. The seniors of this year had a tough row to hoe if they were to duplicate last year's feat of winning the conference in football, basketball, and track. With second place in soccer and track, and first place in basketball, they almost achieved this goal. Despite the fact that they fell slightly short of their mark, they proved that they had the spirit, will, and desire to make them successful.

Mike Bloomstein led the basketball, football, and baseball teams with desire and leadership unparalleled in past years at Summit. Another standout was Fran Scalsessa, who as sixth man in basketball and starting second baseman in baseball, exhibited the same type of spirit. Still another senior, who won two Booster awards, was Jeff Hartlaub.

With his fantastically accurate outside shot in basketball, he was a constant threat to the opposition. Jeff was also a never-say-die goalkeeper in soccer. Whenever the team was behind, Jeff would boom out a couple of tremendous goal kicks and the front line would be able to score. These three seniors typify the type of play of the group of senior athletes this year.

Others who deserve mention for their efforts this year are Bob Adams, John Martini, Jeff Cain, Bill McGrath, John Griffith, Dick McIntyre, Carl Wilkerson, Andy Potter, Jamie Roberts, Paul Prather, Hugh Moore, Jens Boe, and Dwight Bayne.

The seniors, with all this talent, did not dominate the sports scene. The juniors, led by John Langenus, Bob Uram, and Dennis Swick, turned in great performances and give Summit coaches a great deal to look forward to for next year. Looking to better his 2-6-1 record next year, Coach Anderson finds himself with better than half his offensive and defensive teams returning. The following boys all started and will be back for a crack at a possible undefeated season and the con-

ference title: Joe Triolo, Bob Uram, Andy Genualdi, Todd Koster, Jack Bacon, John Langenus, Rick Lang, and Brian Kane. Soccer coach, Mr. Elmer Haldenwang will say good-bye to ten of his eleven soccer starters at graduation time. Most observers would think that the situation is bleak for next year. This is not so. Dennis Swick, perhaps the hardest hustler of all the soccer players, scored a great deal and had many assists. Also on the front line will be John Brady. John set the J.V. scoring record for a single season with better than twenty tallies. Returning lettermen also include: Tex Bier-tuempfel, Pete Gemmi, and Mike Marcy.

Next year's basketball coach will have a hard time, indeed, to match this year's phenoms. However, all is not bleak. Dennis Swick will again return to the scene along with Ward Bronson. Other basketball hopefuls are: Pete Moroney, Miele Steele, Ray Tait, and J.V.s Gary Shearon, Don Willey, Bruce Fry, Lamonte Johnson, and Ed Pryor.

The spring sports are definitely bright spots in next year's sports outlook. In tennis the entire starting team of George Arana, Pete Nestler, Dick Rothchild, Jeff Fitzwilliam, John Mell, John Dover, and Scott Nycum will return. In track record-breakers John Langenus, Jack Bacon, and perhaps record-breaker-to-be, Craig Styler will return to lead the cindermen to a conference and perhaps a state title. Baseball sees half the infield, half the mound corps, and a third of the outfield returning. Swick, a three letterman will once more aid the coach as will Nick Pasomato, Jim Catterall, Bob So-fie, and Rick Lang.

All in all, look for Summit athletes to dominate the conference in almost all sports. In some cases they may prove a big factor in the state. Summit coaches may have a year as good as, if not better than, the best school sports year in Summit history, 1964-65.

Student Council Elections Based On Free Choice

Those who complain that officers of the Student Council always come from the same clique should take notice of Summit High's election system.

To begin with, the candidates nominate themselves. Any junior is eligible to run for president, and any sophomore is eligible to run for the vice-presidency. Each candidate is required to post a bulletin stating his qualifications or his stand on current issues. By secret ballot, the student body then votes for the semi-finalist; each candidate receiving seventy-five votes qualified for the semi-finals. Every semi-finalist then gives a campaign speech before the student body. At this point the students vote again for two finalists for each office. The finalists campaign for two weeks, and each one makes another speech urging support of his candidacy. The final vote then takes place, with the students using real voting machines.

The results of this year's elections were as follows: President: Peter Nestler; Vice President: Fletcher Cochran; Secretary: Margaret Komarniki; and Treasurer: Joan Connelly. This modern election system

New Council Approach Whets Student Interest

The Student Council of Summit High School has tried an experiment this year. Instead of sitting back doing the usual, begging the students to come to the meetings and show interest, the council went to the students, every one of them, with many new and worthwhile projects. In a sense they forced student interest.

The experiment was a success, for the response was great and the Student Council enjoyed a terrific year.

It continued the Saving Stamp Program, the chartering of school clubs, the publishing of a Student Directory, the Magazine Drive, the participation in the Foster Parent Plan, and holding of basketball dances. The council also held a systematic evaluation of the home-room representatives, continued the sponsorship of the American Field Service, maintained a Student Council Bulletin Board, provided student readers for announcements over the school

MEET THE OFFICERS—New Student Council. Margaret Komarniki, secretary, and Joan Connelly, treasurer, stand in the center. Peter Nestler, president, and Fletcher Cochran, vice-president, stand on the far left and right.

is an innovation of the revised Student Council Constitution. It seems to have done away with much of the old gripe about "the same people are always running." Many of the students feel it is by far the most democratic system we have ever had.

Shades of Ancient Rome

On Tuesday night, May 25, Senatus Populusque Romanus, the Latin Club of Summit High School, held its traditional Roman Banquet.

Mr. Morton Ashman, assistant principal of the high school, along with teachers from the language department and several others of the faculty presided over the feast. The banquet was attended by the members of the Latin Club and Latin IV students.

Under the direction of consul Betty Tobin and Pro-Consul Shirley Smith, with the help of adviser Mrs. Elizabeth Struve, the club organized a night of Roman festivities. The cafeteria was transformed into a Roman atrium, or hall, based on the theme of constellations and stars.

Dressed in togas and seated on the floor, the Roman "citizens" were attended by "slaves", Latin students from the Junior High School.

After welcomes from the Consul and Pro-Consul, and after the traditional pig was sacrificed by the high priest, John Rogers, the feast began. During the very Roman dinner, consisting of chicken, pork and assorted side dishes, the slaves brought finger bowls and towels at the command of the "citizens."

Other exchange students for orientation. During these three days, he will learn about the customs of the people and other things he will need to know.

From Miami Jay will travel to Buenos Aires, where he will be met by his "family." He will probably attend a completely Spanish-speaking school, which could prove difficult for him. Jay speaks no Spanish, but he has had three years of Latin and two years of French. He was encouraged, however, that his first correspondence from South America was a letter written in English by his Argentine "brother."

He will return late in August and await the chance to return the hospitality next winter.

Ambition Realized

Many young people have looked into the sky to see an airplane and wished that they, too, could fly. Very few realize their dream. In Summit High School there is a boy who has had this dream for as long as he can remember and has actually turned it into reality. Douglas Mehning, an eighteen year-old senior, has not only a pilot's license but a plane in which to fly.

In October of 1963, he decided he wanted to fly a real plane so he took his first flying lesson at Hanover Airport. His training included pulling out of spins, learning navigation and even flying blindfolded on instruments alone.

After completing the required twenty hours of lesson time and an additional twenty hours of solo flight, Doug received his license to fly. He bought his own plane—a Piper Cub—to avoid the high cost of renting an airplane, and he now goes up almost every weekend.

Doug has been accepted at the Academy of Aeronautics in New York where he will study the intricacies of piloting a commercial airliner. After having completed three years of school and 1000 hours of flying time, he hopes to become a commercial pilot.

Great Day Approaches For 1965 Senior Class

The night of June 23 will have unique meaning for each one of the three hundred and eighty-six graduates of Summit High's Class of 1965. To some it will simply mean the end of three seemingly wasted years; to some it will be just another step to the business world or to college; and to others it will bring back memories of the good times shared with old and new friends, the frantic and sometimes rewarding cramming for tests, and the knowledge acquired. All these thoughts are extremely important because they are all such a part of high school.

Two factors will aid in making this night a most memorable one for all involved. For the first time the graduation will be held outside at Tatlock Field. This action was necessary because of the size of the class. Mr. Peter Putnam, who has been in demand as a lecturer to school and college audiences, literary and service clubs, adult schools, and professional groups and has toured in both Europe and the United States, will deliver the commencement speech. In his book *Cast of The Darkness*, Mr. Putnam relates how he lost his sight through an attempted suicide in his junior year at Princeton.

With noted determination and a joy for life, he conquered his depression and became a new man. Through the years he gained recognition and became a member of Princeton's history faculty, gained leadership roles in Princeton Association for Human Rights, and for ten years was the National Director of Recording For The Blind, Inc. With a background of such varied achievements and interests, Mr. Putnam's speech is certain to be of interest to all.

Other activities have been also planned for the Class of 1965 for the few weeks before graduation. On May 28, the traditional Senior Banquet was held at the Suburban Hotel. Highlights of the evening included Mr. Gast's reading of a poem in which he mentions as many members of the class as possible, the reading of the Class Prophecy, and the issuing of the 1965 TOP, the yearbook.

June 8 was designated Senior Day and was marked with a breakfast at 7:30, a Senior assembly, and later in the day, a Senior caravan to Memorial Field.

All in all, Graduation 1965 should prove to be a most memorable occasion for the students at Summit High and their parents.

Busy Term for Teachers

During the school year several Summit High School teachers have attended and participated in conventions and meetings of national and state organizations. Teachers of reading, English, music, art, and foreign languages have represented the school at these meetings, as well as members of the guidance department and physical education department.

Mr. Joe Coleman was a guest lecturer, appearing with the coach of St. John's University, at a meeting of the National Basketball Coaches Clinic. His teams have an overall record of 94 wins and 55 losses.

Mr. Robert B. Pickel has held a position on the board of directors of the Suburban Council International Reading Association for the past two years. Both Mr. Pickel, head of the reading department at S.H.S., and Miss Tina Frederico, have attended meetings of the International Reading Association of New Jersey, which is the affiliate of the national organization.

Mrs. Dorothy Bearer, Mrs. Barbara Coe and Miss Jean Canning visited a conference, "Project English," in Cleveland which dealt with the teaching of

composition in high school. Mrs. Bearer also attended the National Council of Teachers of English during April 26-May 1. Miss Frederico, Mrs. Coe, Mrs. Brown and Miss Mildred Steele attended a lecture on "The Slow Learner" at Clark Regional High School. Mrs. Coe, Mr. Thomas Fucello, Mr. Perego and Mr. Fred Moore visited the English Languages Assoc. Conference at Jersey City State College.

Dr. Edward Babbott and Mr. William Lukens represented Summit High School's guidance department at the national conference of the Association of College Admissions Counselors held last October. Dr. Babbott also participates in the membership committee of the New Jersey Association of College Admissions Counselors.

Miss Irene Hiltz, business department head, attended conventions and lectures given by several different organizations: New Jersey Personnel and Guidance Assoc., Administrative Management Society, and the Union County Guidance Meeting.

Miss Ruth Schabacker, Mrs.

School Weighs Activities of Past Semester

Summit High School is fast approaching the end of another year full of many successful services and activities. As principal of the school Mr. Alton J. Gast was asked what he felt were the highlights of the past year.

Mr. Gast commended the effort of all the student committees to improve the school this year, but he especially mentioned the outstanding work of the American Field Service Committee, which had raised enough money to support two AFS students instead of one for past year.

The principal also mentioned the various service projects which the students have carried out this year. These included the work on the Child Care Center and Books USA. This first project consisted of sanding and painting of the Child Care Center, and Books USA involved raising money to send packets of books to various parts of the world. Both undertakings were very successful and received much enthusiastic support from the students.

Another project of the student council that Mr. Gast felt was a highlight was the establishment of a school store. Although the idea has been brought up in previous years, it was finally made a reality this year.

As for the individual classes Mr. Gast commended them for the success of their various parties and dances; the sophomores for their prom, and the seniors for their party and banquet.

The G. O. Show, "Fiorello," also came up as a definite highlight of the last year.

These are just a few of the high points that Mr. Gast mentioned. They will be remembered not only by the administration and faculty, but also by the students of Summit High School.

Mary MacArthur

Martha Wilson and Mrs. Margaret Moore represented the language department at the Northeast Conference of the Modern Languages Assoc., which is held in New York City and concerns the entire Northeast section of the country.

A panel on "Music and The Humanities" was enriched by the participation of Mr. Kautzman and Mr. DeBrito of Summit's music and art departments, respectively. Mr. Kautzman is also a member of the board of directors of the New Jersey Music Education Association.

Operator Lorraine T. Cross: tracer of missing persons

Mr. H. W. Haldeman wrote us:

"On Thursday morning of this past week I was in Camden on business and received a call from my secretary advising me that my sister out in San Francisco had called me at the office to say she was rushing to the hospital—her husband had just been involved in a very serious accident. Unfortunately in her distraught condition, she failed to give my secretary the name of the hospital before she hung up, so I had very little information to go on.

"I called the local operator and told her my problem, saying I could give her nothing but my brother-in-law's name and that he must be in an emergency ward somewhere in San Francisco. She was most cooperative, and assured me she would do everything

possible. To make a long story short, this remarkable young lady of yours had me connected to the doctor in the particular hospital who was in charge of the case in no more than 20 minutes. Armed with such meager information as she was, I think this was an outstanding example of efficiency and service!

"I trust that you will be able to see that she receives a 'well done' for her excellent detective work over the long line. I am always appreciative of special service—this I believe was a most outstanding example."

At New Jersey Bell, all our operators know we believe in giving that extra bit of special service. After all, the best possible phone service—that's our job.

What's to Read this Summer?

Students often ask for ideas for books which they might read in summer. English teachers in Summit schools have made the following list of titles which they suggest in preparation for the various grades.

To repeat: these are only suggested, not required, but these are books which deserve to be taken seriously.

Books to be read before beginning the seventh grade: "Little Women" by Louisa May Alcott, "The Incredible Journey" by Sheila Brunford, "Robinson Crusoe" by Daniel Defoe, "A Wrinkle in Time" by Madeleine L'Engle, "Trumpeter of Krakow" by Eric P. Kelly, "Jungle Book" by Rudyard Kipling, "Microbe Hunters" by Paul de Kruif, "Puritan Adventure" by Lois Lenski and "The Rise and Fall of Adolf Hitler" by William L. Shirer.

Books to be read before entering the eighth grade: "Born Free: A Lioness of Two Worlds" by Joy Adamson, "A Book of Americans" by Rosemary and Stephen Vincent Benet, "A Door in the Wall" by Marguerite de Angeli, "Mrs. Mike: The Story of Katherine Mary Flannigan" by Benedict Freeman, "The Snow Goose" by Paul Gallico, "Death Be Not Proud" by A. Memoir by John Gunther, "Farmer in the Sky" by Rob-

ert A. Heinlein, "Shadow in the Pines" by Stephen W. Meader, "Parents Keep Out," elderly poems for younger readers by Ogden Nash and "The Thirteen Clocks" by James Thurber.

Books to be read by pupils who will be in the ninth grade: "The Good Earth" by Pearl Buck, "The Sea Around Us" by Rachel L. Carson, "My Antonia" by Willa Cather, "The Last of the Mohicans" by James Fenimore Cooper, "Captains Courageous" by Rudyard Kipling, "People and Places" by Margaret Mead, "Gone with the Wind" by Margaret Mitchell, "My Life and Hard Times" by James Thurber, "A Connecticut Yankee in the Court of King Arthur" by Mark Twain and "Once and Future King" by T. H. White.

These books should be read by pupils before they become seniors: "Pride and Prejudice" by Jane Austen, "The Fire Next Time" by James Baldwin, "The Admirable Critchton" by James Barrie, "Yankee From Olympus" by Catherine D. Bowen, "Heart of Darkness" by Joseph Conrad, "The Greek Way" by Edith Hamilton, "House of Seven Gables" by Nathaniel Hawthorne, "Abraham Lincoln" by Carl Sandburg, "Cry The Beloved Country" by Alan Paton, "Vanity Fair" by William M. Thackeray and "Walden" by Henry D. Thoreau.

Books to be read by pupils who will enter grade 10 in September: "Alice in Wonderland" by Lewis Carroll, "Dr. Schweitzer of Lambarene" by Norman Cousins, "The Three Musketeers" by Alexandre Dumas, "75 Short Masterpieces: Stories from the World's Literature" by Roger B. Goodman, "Word Origins and Their Romantic Stories" by Wilfred Funk, "A Separate Peace" by John Knowles, "Jamaica Inn" by Daphne Du Maurier, "Northwest Passage" by Kenneth Rob-

erts, "Arms and the Man" by George Bernard Shaw, "Immortal Wife" by Irving Stone, "The Trysting Place" by Booth Tarkington, "Life on the Mississippi" by Mark Twain and "The Invisible Man" by H. G. Wells. These books should be read by pupils who will go into the eleventh grade: "The Martian Chronicles" by Ray Bradbury, "Jane Eyre" by Charlotte Bronte, "Wuthering Heights" by Emily Bronte, "Autobiography of Ben Franklin" by Benjamin Franklin, "Justice" by John Galsworthy, "Main Street" by Sinclair Lewis, "Billy Budd" by Herman Melville, "Cyrano de Bergerac" by Edmond Rostand and "Huckleberry Finn" by Mark Twain.

These books should be read by pupils before they become seniors: "Pride and Prejudice" by Jane Austen, "The Fire Next Time" by James Baldwin, "The Admirable Critchton" by James Barrie, "Yankee From Olympus" by Catherine D. Bowen, "Heart of Darkness" by Joseph Conrad, "The Greek Way" by Edith Hamilton, "House of Seven Gables" by Nathaniel Hawthorne, "Abraham Lincoln" by Carl Sandburg, "Cry The Beloved Country" by Alan Paton, "Vanity Fair" by William M. Connor Sees No Pitfalls In Economy

There is no cause for alarm in the nation's present economy, Secretary of Commerce John T. Connor told graduates and parents at the 71st commencement ceremony of Kent Place School last Wednesday.

Mr. Connor, a resident here for 18 years at 49 Prospect Hill avenue and former president of Merck & Co., denied contentions that there are trends in the U.S. economy that are similar to 1929.

Replying to remarks made last week by William M. Martin, chairman of the Federal Reserve Board, Connor said that indices of economic measurement showed an up trend, "Although there is a tapering

off in the last half of this year, as we predicted," he said "there is no cause for alarm."

"Martin interprets his job as throwing up smoke signals," Connor said. "We are aware of the international balance of payments problems," he said, "and domestically, the President's program is mild." Connor discounted any chance of a repetition of 1929.

Mr. Connor suggested that the graduates consider government service as a career and pointed out that technological advances are giving women "freedom to do creative work outside the home without impairment of family life."

In discussing government work he mentioned that opportunities exist also "at Trenton, Elizabeth, or the City Hall in Summit." He referred to a recent complaint of President Johnson after a Civil Service award ceremony that all the re-

ciants were men.

Mr. Connor also quoted President Johnson in saying to the graduates "You are not the lost, silent or indifferent generation but are members of the concerned and dedicated generation."

Mr. Connor's daughter, Lisa,

is a freshman at Kent Place, three weeks ago and will take The Connors sold their Prospect Hill avenue home about Washington.

Over 65?
\$200 a month extra
can be yours for life!

No pipe-dream this—but the guaranteed reality of a Manufacturers Life Annuity. Whether you live for five years or twenty-five or more, you'll get an additional check for \$200 every month.

Let's face it—you've put in a lot of hard work over the past forty years or so. Your retirement years are your reward. The finest way to enjoy your retirement is to have an adequate and worry-free income. The best way to achieve this is to buy a Manufacturers Life Annuity.

You hand over to Manufacturers Life the worry and risk of maintaining an income. Through the annuity arrangement your capital and the interest it earns are "scientifically" combined to give you a guaranteed income for the rest of your life.

How much does an annuity cost? It depends on the income you need to carry out your dreams and plans for those years after 65. For example, the lifetime monthly income of \$200 we were talking about would cost a man of 65 only \$26.920.

It's well worth looking into. The Man from Manufacturers has all the details. Give him a call today.

Nobody ever thinks about a water heater...

until it runs out.

Quick recovery electric water heaters never get thought about.

They just work away unnoticed, unsung, producing hot water that goes on and on and on and on. If you owned one, you wouldn't even know it was there. As you use the hot water, it heats up more in a big hurry. And it works without flame, needs no vents or flues, never makes a sound, or even a speck of mess, and can be installed anywhere in the house. If you don't own one, it might be worth a little thought.

Car-Sans Nine Scores Fifth Win at Heights

Berkeley Heights — Car-Sans, the only undefeated team in the Berkeley Heights Adult Softball League, came from behind to nip Pat Mele's for its fifth victory of the season.

Jerry Malanga won his fourth game, while Buddy Cox became a five-time loser. A hit by Art Thomas and a sacrifice by Hoff accounted for the deciding runs.

Berkeley Bakery (5-2) held second place by edging the winless Jaycees, 4-3, and losing to Berkeley Esso, 5-4. Berkeley Esso (4-2) is in third place.

Don Sullivan's seventh-inning homer enabled Esso to nip Berkeley Bakery. Lou Zichichi's baserunning had helped create the tie. He beat an attempted force play at second base and reached third on a throwing error. Lou scored on a short fly to left field.

Noll Elected Bucknell Capt.

New Providence — Jon Noll, a former track at New Providence High School, has been elected a tri-captain of the basketball championship this year, have been awarded college scholarships.

Noll was the Bisons' highest individual scorer during the past season, accounting for 52 points in six dual meets.

The former Pioneer runner at Seton Hall University in South Orange. He was recruited and captured the two-mile run twice and finished second the other four times.

Oratory School Joins Newly Formed League

Summit — The Oratory School, which has been campaigning with little success in recent years in the Big Eight Catholic Conference, has joined the newly formed North Jersey Catholic Conference.

The new conference will conduct championship competition in basketball, baseball and track, beginning with the 1966 school year.

The North Jersey Catholic Conference will offer Oratory an opportunity to compete with schools of equivalent enrollment. It has been set up in divisions based on male enrollments.

Oratory has been grouped with Immaculate Conception High of Montclair, St. James High of Newark, Holy Trinity High of

New Thanksgiving Day Rival for Highlanders

Berkeley Heights — Governor Livingston Regional High School's perfect football record in Thanksgiving Day games will be the target of a new opponent next November.

The Highlanders, who will become a member of the Watchung Conference starting in 1966, have signed a one-year pact to play Passaic Valley High School. The game will be played here at 11 a.m. on November 26.

In 1966 Governor Livingston probably will be starting a new Thanksgiving Day series with a Watchung Conference opponent, or with the new Kenilworth Regional High School, which will be open by then.

Most of the Highlanders' Watchung Conference rivals already are involved in traditional

Rovelstad to Enroll at Seton Hall. MacDonald to Georgia Tech

New Providence — Larry Rovelstad and Bob MacDonald, who played key roles in New Providence High School's athletic bonus in Rovelstad, who also is a standout baseball pitcher.

MacDonald, 6-5, the Pioneers' second highest scorer and top rebounder, has accepted a scholarship at Georgia Tech in Atlanta, Ga. His performance in the State Tournament final in Atlantic City earned him a berth on the All-Tournament team. Bob also is a versatile track and field performer.

Both Rovelstad and MacDonald were named to the All-Suburban Conference team after leading New Providence to the conference co-championship with Summit High. Both also gained all-State recognition on the Group 1 team.

Registrations For Baseball Due Friday

Summit — The registration deadline for boys still wishing to enter the Summit Board of Recreation Summer Baseball League has been extended until 4 p.m. Friday, June 18.

The seven weeks of league play for boys presently in grades four through seven begins Monday, June 28, and runs through Friday, August 13.

A boy must plan to be in Summit for at least five of the seven weeks in order to be eligible. Boys should not register for the program if they are not going to be able to play in the games.

The games will be played on weekdays in the mornings and afternoons. The teams are made up independently of the present Spring League. All interested players must register at either Edison Recreation Center or the Memorial Field office.

Summit Police Shooters Lose

With some of its marksmen missing both matches, the Summit Police Pistol Team dropped two matches last week in the Union County Police Pistol League.

Fanwood — downed — Summit, 1,162-1,125, while Plainfield defeated Summit, 1,147-1,074.

Frank Formichella fired a 297 and Marvin Wrisley 294 against Fanwood. Formichella fired perfect 100s in slow and rapid fire, while Wrisley scored 100 in rapid fire.

Wrisley also fired 294 against Plainfield, but he was the only regular in action. Summit had only two other shooters on hand. Wrisley fired 99s in slow and rapid fire.

Snyder Javelin Star At Middlebury College

Summit — Donald A. D. Snyder, son of Mr. and Mrs. William T. Snyder of 36 Beekman Terrace, won the javelin throw in every dual meet but one this season for Middlebury College in Vermont. Donald was second in the only meet he failed to win.

Snyder, a graduate of Summit High School, also competed in the triple jump for Middlebury, setting a Middlebury record for the event.

Halfway home

That's how close you are to "whole house" central air conditioning if you have a forced warm air heating system in your home. An Airtemp snap-in unit designed for you can use that system to bring you inexpensive cooling. And installation costs are modest because the snap-in cooling system comes from the factory already pre-charged, completely wired, and ready to connect and start operating. Best of all, it's Chrysler engineered.

Handling Lawns In Dry Weather

Because of the rather early and prolonged drought in New Jersey, lawns are beginning to deteriorate sooner than normally expected.

Growth and color of lawns can be maintained through moisture—deficient periods with the proper use of water. However, if the water supply is limited or if for some other reason sufficient water cannot be applied about once a week to wet the soil to a depth of six inches, it may be best to avoid watering at all, according to John J. Kupcho, Essex County Agricultural Agent.

If a watering program is out of the question for you, here are Mr. Kupcho's suggestions for helping your lawn through dry spells:

1. Mowing—mow only if necessary. Keep the mower cutting height set at 2 inches or higher and make sure the mower is sharp and properly adjusted.
2. Fertilization—wait for the return of cooler and more moist weather in the late summer or early fall for the application of fertilizer. Without soil moisture, fertilizer will not turn grass green.
3. Weed control—avoid use of chemicals for weed control until the fall. Objectionable weeds can be pulled out by hand.
4. Insects—be on the alert for insect activity, particularly chinch bugs and webworms and treat when found in abundance.
5. Use—minimize traffic as much as possible. Wear resistance of grass suffering from inadequate moisture is greatly lessened.

Following these suggestions will help your lawn withstand droughty conditions and maintain it in better condition for quick recovery when more favorable growing conditions return.
